

Al Sullivan, circa 1964

Al Sullivan will be the first to tell you. “We’re just getting started.”

Al Sullivan started it all with the same wide-eyed enthusiasm that our students exemplify today. With a formula that’s comprised of grit, dedication, innovation and a promise to his students, Al has led The Sullivan University System to become one of the most dynamic learning institutions in America today.

Al will also be the first to tell you, he didn’t do it alone. The Sullivan University family of faculty and staff are dedicated professionals, with a passion for teaching and desire for excellence. We’re on a mission and we’re just getting started.

Sullivan University - Louisville, Lexington, Ft. Knox

One of the fastest growing universities in the southeast, Sullivan uses an innovative approach to higher learning built around the dynamics of career development. A second-to-none choice for those who seek career acceleration.

The Graduate School at Sullivan University - Louisville, Lexington

The crowning achievement in our commitment to business education was recently ranked #1, featuring the largest MBA program in the area!

The National Center for Hospitality Studies - Louisville, Lexington

Consistently ranked as one of the top hospitality and culinary schools in America.

Sullivan University, College of Pharmacy - Louisville

A multi-million dollar investment in healthcare training, the Sullivan University, College of Pharmacy is already one of the premier institutions of its type in America.

Sullivan College of Technology and Design - Louisville

On the edge of new technologies, we are currently constructing one of the area’s only Green Certified (L.E.E.D.) buildings, as well as adding new curriculum.

Spencerian College - Louisville, Lexington

The leader in healthcare education, offering respected certificate, diploma and degree programs in some of today’s hottest career fields.

The National Center for Corporate Learning - Louisville, Lexington

The preeminent resource for success with services including Dale Carnegie Training, IT Academy, Global E-learning, Lean Six Sigma, Conflict Resolution and more.

Gardiner Point - Louisville

The next level of student housing. Opening Spring 2010, Gardiner Point will feature on-site study and meeting areas, convenience store, food service and more.

Congratulations!

Chancellor **A. R. Sullivan** for being a finalist for Business Leader of the Year and over 45 years of inspirational leadership at Sullivan!

Discover for yourself.

With a tradition of innovation and excellence, Sullivan offers career opportunities in some of today’s hottest fields. Now is the time to get on the fast-track with a respected degree from a university that knows how to get down to business.
