## DISCLAIMER AND SIGNATURE

IN APPLYING FOR THE GRADUATE WORK-STUDY PROGRAM, I UNDERSTAND AND AGREE AS FOLLOWS:

- This is an academic program and not an employment program, and I will be entering as an F-1 visa student with the privileges and conditions of the F-1 visa status.
- The Master's Work-study Program is a study program requiring an F-1 student visa in which Curricular Practical Training (CPT) is mandatory for all participants.
- By selecting a co-op program, I will be given the legal right to engage in Curricular Practical Training (CPT) employment with an off-campus company.
- I understand I will initially obtain an entry level job and I will be free to locate other employment later as I choose.
- I will be required to pay for all of my own tuition as well as my own room and board and personal expenses from my own resources. However, I understand that I will be allowed to use all of the net income from my CPT employment as I see fit for these purposes.
- I may be required to accept an entry level position to gain U.S. work experience, improve my English, and learn U.S. customs and cultures in order to obtain and retain a higher paying job. Most entry level jobs pay \$7-10 an hour.
- The purpose of the Master's Work-study Program is to gain the necessary skills and experience to become a successful professional in the workplace.
- I am required to personally interview for each internship position and will do so with a positive and professional attitude.
- The length of time to obtain my internship will depend on my skills, English abilities, background, previous work experience, ambition and attitude. In some circumstances it may take 30-60 days before I begin my internship.
- I understand that I will not be limited to 11 months of CPT employment and will be allowed to continue working for the entire length of time. However, I understand that if I choose to be employed in CPT for 12 months or more I may not be allowed to apply for the one additional year of Optional Practical Training after I graduate.
- An advance deposit required before issuance of the I-20.
- The deposit, minus any wiring fees, is refundable if you do not obtain the visa.
- If you obtain a visa, but do not enroll in Coleman or you transfer to another school, the deposit will not be refunded.
- Work-Study students will sign and agree to conditions noted in the Explanation of Costs for the school to which they are applying.
- If candidate lapses in tuition payments at any time during the master degree program, he/she may lose CPT authorization.
- I understand there are separate entities involved in the work-study program, each having separate fees.
