- I am required to personally interview for each internship position and will do so with a positive and professional attitude
- The length of time to obtain my internship will depend on my skills, English abilities, background, previous work experience, ambition and attitude. In some circumstances it may take 30-60 days before I begin my internship.
- I will be studying in my program should I choose to do so. However, I understand that if I choose to be employed in CPT for 12 months or more I may not be allowed to apply for the one additional year of Optional Practical Training after I graduate.
